Declaration Of Compliance With Data Secrecy And Good Governance Of Secret Business Information

It forms the general business practice of COVET RC to process and store solely the name, the address and the electronic contact of its existing and prospective business partners and for invoice purposes only, the current account details of contracting partners.

Obsolete or unused data will be deleted after a six month period. In case that a contract is concluded with COVET RC, all relevant data emanating thereof will be stored until the according to Austrian Tax Law currently prevailing legal tenure for data storage of seven years will have expired.

Personal data as well as potential business secrets, which might have become accessible to COVET RC throughout the contractual term, will be treated confidentially and are subject to the regulations of the Austrian and the European Data Protection and Competition Law and respective Decrees thereof. Data processing is effectuated on the basis of the legal requirements of § 96 Austrian Telecommunication Law (TKG), Art 6 paragraph 1 lit. a (consent) and / or lit. b (constituent for contract fulfilment) and Art 4 item 4 of the General Data Protection Requirements (GDPR).

Any potential transmission, transfer or exchange of data in compliance with the prevailing legislation will be exclusively subject to the prior written consent on behalf of the addressed persons, derogating those cases, which give on account of the formulations inherent in the electronic correspondence an obvious suspicion for fraudulent or dubious intent.

The storage of personal data is effectuated for the sole purpose of electronic communication at a central processing unit disposing of a secure connection to the world wide web.

The compilation, edition and processing of every information, which might contain potential data apt to convey business secrets, equally as the conceptualizing and depiction of sensitive data, is carried out on a separate processing unit detached from the world wide web.

Die COVET RC is among those enterprises, the business practice of which is entirely and exclusively based on personal relations. . The exchange of all relevant data is thus subject to a mutually and commonly concluded agreement based on the will on behalf of all partners involved.

COVET RC is a sole proprietor company and does not have any employees. All data processing is carried out in-house. Therefore a compliance with legal requirements and covenants of the prevailing legislation regarding the fulfilment of discretion on behalf of employees or the relevant regulation with respect to mandating a third party in charge of data protection does not apply.

Access to the data processing units is secured by means of respective passwords complying with international security standards and physical access to the premises is secured by locked doors and subject to personal reception.

The relevant authority for all issues regarding data protection is
